## THE CONVERSATION

Dear Readers,

It gives me immense pleasure to bring this 1st edition of our quarterly newsletter "HIVE" this month. Reliance Group continues to grow strong with multiple engines driving a consistent uptrend in the bottom-line in all market segment it operates. Building further on the success of our diverse businesses, we are excited about our MET City. It is an integrated business city & thriving eco-system spread over 8250 acres which includes Industrial, Residential & Commercial developments.

MET City today has more than 400+ national and multi-national companies as its customers including Panasonic, Denso, Tsuzuki, All cargo, Reliance Retail, JIO, Indospace to name a few. With its strategic proximity to Industrial hubs, strong connectivity via KMP, eastern and western expressways, state-of-the-art facilities and unique features, MET City is not only playing a major role in growth of our clients, partners, and all stakeholders but also in providing opportunities to make Haryana one of the most sought investment destination in India. MET City is the only IGBC Gold Rated Industrial Township in North India of its size and continue to strive for better footprint in sustainable development.

I am sure, the success of MET City will not only be an additional jewel in the Crown of our stakeholders, but it will be meaningful addition to our Nation's new Infrastructure growth story. This newsletter is an effort to update all our stakeholder on happenings & development in MET City. Please Feel free to reach out to us for any feedback/suggestions on this newsletter or otherwise through [Contact.MET@ril.com](mailto:Contact.MET@ril.com)

**Sh. Shrivallabh Goyal**  
CEO & WTD (METL)

Reliance Industries is developing an Integrated Industrial Township, MET City near Gurugram in Haryana state. It is being developed as a sustainable green development on walk-to-work concept comprising of industrial, residential and commercial zones. The project already certified by India Green Building Council as a Gold rated township and with multiple phases under development in a total area of 8250 acres.

MET City today is home to more than 400+ companies from various countries, which includes brands like Panasonic, Denso, FM Logistics, Indospace, Tsuzuki, etc. Apart from being a leading project for industrial investments, MET City is also seeing robust demand for its residential and commercial spaces. It is one of the fastest growing and one of its kind project in North India.

The project is surrounded by world class institutions engaged in education and healthcare thus providing for a very conducive environment to set up business as well as live within.

# WHAT'S HAPPENING

MSME SAMVAAD

MSME SAMVAAD

MET KONNECT, 2022

EVCONINDIA, 2022

- Met City Participated in Haryana's 2nd edition of 'MSME Samvaad' along with 1st edition of 'Xelerate Haryana' Summit organized by ASSOCHAM at Gurgaon. The program was graced by Hon. Deputy Chief Minister of Haryana Sh. Dushyant Chautala as its chief guest .Our CEO Sh. SV Goyal gave a Key note address at the occasion and later moderated a session on Growth Momentum in the state of Haryana.
- MET City conducted 1st edition of MET KONNECT an Industrial Policy Awareness Workshop for Providing Hand Holding Support to its industrial customers The workshop was about disseminating information to MET City customers about Haryana's pro-business Investment Policies & Incentive Framework.
- MET City Participated in EVCONINDIA 2022, Mr. Vaibhav Mittal VP & BD Head , Reliance MET City during his session EVCONINDIA 2022 said "Today no one is asking where EVs are manufactured and in what kind of facilities. Very soon, like other consumer facing industries, customers will start asking if the EV themselves are being manufactured in Green Factory, which is located inside Green & Sustainable Industrial City. This is where MET City comes into the picture; a city which is Certified Green for an industry which is by nature has emerged to save the planet from the dangers of vehicular pollution."
- Met City Participated in the Government of India, National Industrial Corridor Development Corporation (NICDC) 'Investors Round Table' conference chaired by Sh. Piyush Goyal in April 2022.
- MET City sponsored FICCI Smart Cities Summit on 29th April 2022 and actively participated in the summit. Sh. SV Goyal was invited as a speaker in panel discussion on "Smarter Cities for New India.

## #HARGHARTIRANGA

A 30 kilometers Tiranga Cycle Rally was organized under Har Ghar Tiranga Abhiyaan, where 8 MET City villages were crossed. Throughout the event, villagers welcomed the participants. Over 200 youths, girls, senior citizens & others participated in this rally.

## POST OFFICE OPENING AT MET CITY

India Post opened a Sub-post office at Reliance Model Economic Township near Gurgaon. It was inaugurated by Member of Parliament from Rohtak Dr. Arvind Sharma. CEO & Director of the township Sh. S.V. Goyal was also present at the inauguration of the sub-post office along with other senior officials of MET City. This facility will further enhance the amenities of MET City, which is North India's fastest growing Integrated Township.

## CSR INITIATIVE BY MET CITY

Reliance MET handed over two Mahendra Bolero vehicles to SP Jhajjar. These vehicles are to be used by the police department for their routine work as well as patrol. We firmly believe that the safety and security of citizens are of the utmost priority and we are committed to contributing to the welfare of society.

## ICICI BANK AT MET CITY

New branch of ICICI Bank at Reliance MET City, Jhajjar, Haryana. The inauguration was done by Sh. Kuldeep Vats (M.L.A. Badli) in the presence Senior officials from Reliance MET City and ICICI Bank. With this inauguration, ICICI Bank will now start full banking services in the city, which will add to the list of amenities available in the city for companies and residents to utilize.
